

AARIALIFE HELPS SECURITYHQ STREAMLINE HR PROCESSES WITH Zoho PEOPLE AND PAYROLL

CUSTOMER AT A GLANCE

SecurityHQ is a global leader in the Managed Security Service Provider (MSSP) industry. With over 300 employees spread across multiple locations, the company was facing challenges in managing their HR processes. After months of researching and evaluating different options, they chose Zoho People and Zoho Payroll as their solution. To ensure successful implementation, they partnered with Aarialife, a Zoho implementation partner with a proven track record of successful deployments.

RESULT

Aarialife's successful implementation of Zoho People and Zoho Payroll helped SecurityHQ streamline their HR processes, automate workflows, and manage employee data. With effective reports and the PMS module, SecurityHQ was able to identify and address inefficiencies, resulting in cost savings and improved employee performance. With Zoho Payroll, the company was able to manage salaries, automate salary calculations, and manage the salary cycle, resulting in timely and accurate payments to employees. Overall, Aarialife's expertise in implementing Zoho solutions helped SecurityHQ achieve their HR goals and improve their overall business processes.

WHY AARIALIFE?

SecurityHQ chose Aarialife as their Zoho partner due to their expertise in implementing Zoho products. Aarialife had successfully implemented Zoho solutions for multiple customers and had a deep understanding of the Zoho ecosystem. They had also demonstrated their ability to tailor solutions to meet specific business requirements.

BUSINESS CHALLENGES

SecurityHQ was facing several challenges in managing their HR processes. With a large and dispersed workforce, it was difficult to streamline and automate their HR processes. Onboarding new employees was also a challenge due to multiple locations. The company was struggling to track employee activities and log hours, and leave and performance management were cumbersome. The company also needed to manage and conduct performance cycles and automate payable extra working hours.

SOLUTIONS

Aarialife implemented Zoho People and Zoho Payroll for SecurityHQ. With Zoho People, Aarialife helped SecurityHQ streamline their HR processes, automate workflows, and manage employee data. Zoho People provided the necessary tools to manage the onboarding process and track employee activities and hours. With the PMS module, SecurityHQ was able to organize the appraisal process and manage performance cycles.

With Zoho Payroll, Aarialife helped SecurityHQ manage salaries and automate salary calculations. Zoho Payroll also helped with managing the salary cycle, ensuring timely and accurate payments to employees.

BENEFITS

The implementation of Zoho People and Zoho Payroll had several benefits for SecurityHQ. With Zoho People, the company was able to organize all their HR processes and automate workflows, resulting in streamlined processes and reduced manual effort. Effective reports helped to identify and address inefficiencies, resulting in cost savings. The PMS module helped to organize the overall appraisal process, resulting in improved employee performance.

With Zoho Payroll, SecurityHQ was able to manage salaries for all employees, automate salary calculations, and manage the salary cycle. This resulted in timely and accurate payments to employees, improved transparency, and reduced manual effort.
